

GIOCANDO S'IMPARA

STAR BENE A SCUOLA
GIOCANDO TUTTI INSIEME CON
I LEGO GRANDI

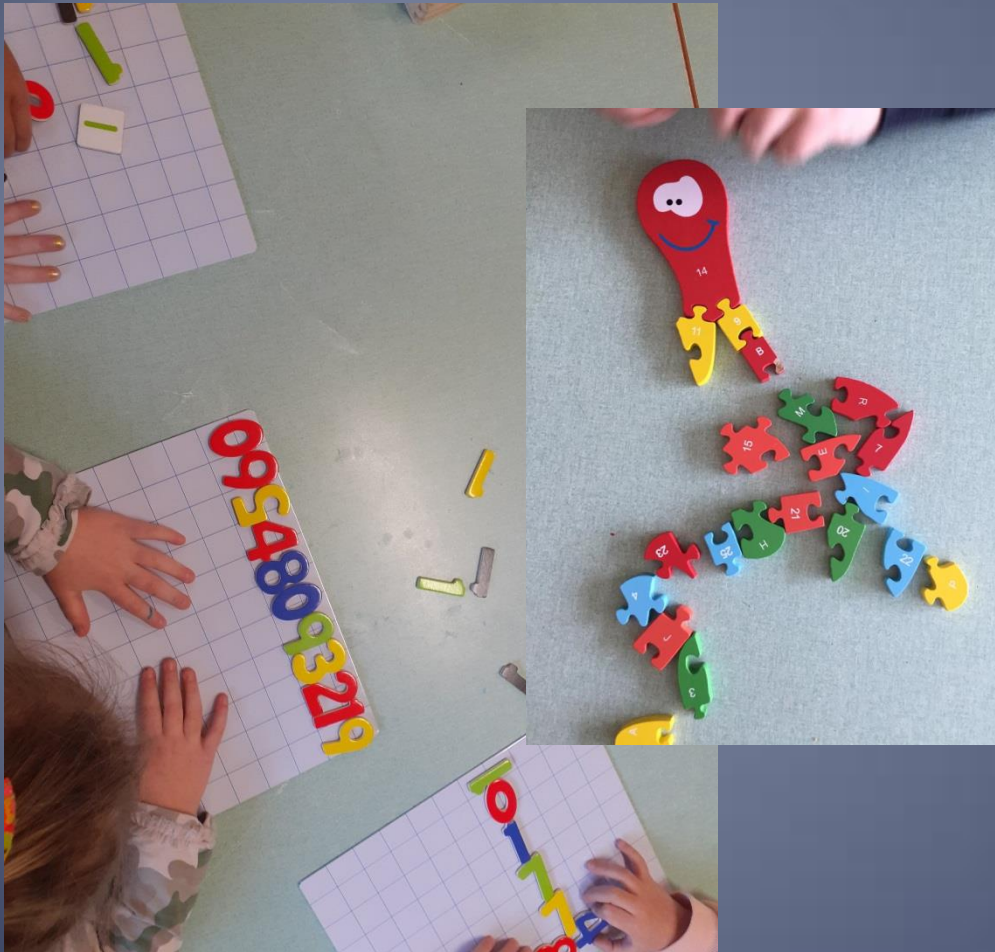

giochi per imparare
colori e dimensioni

This image shows a top-down view of a light green table with educational toys. On the left, there are three colorful stacking toys: one orange, one red, and one yellow, each consisting of several rounded, cone-shaped pieces. In the center, there are several white cards with colorful patterns and shapes. The text 'giochi per imparare colori e dimensioni' is overlaid in the center of the image.

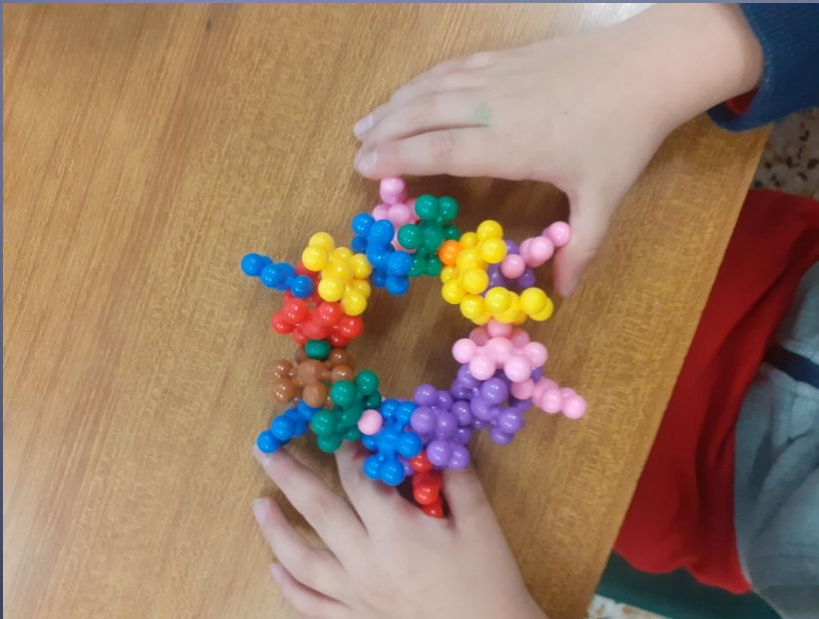

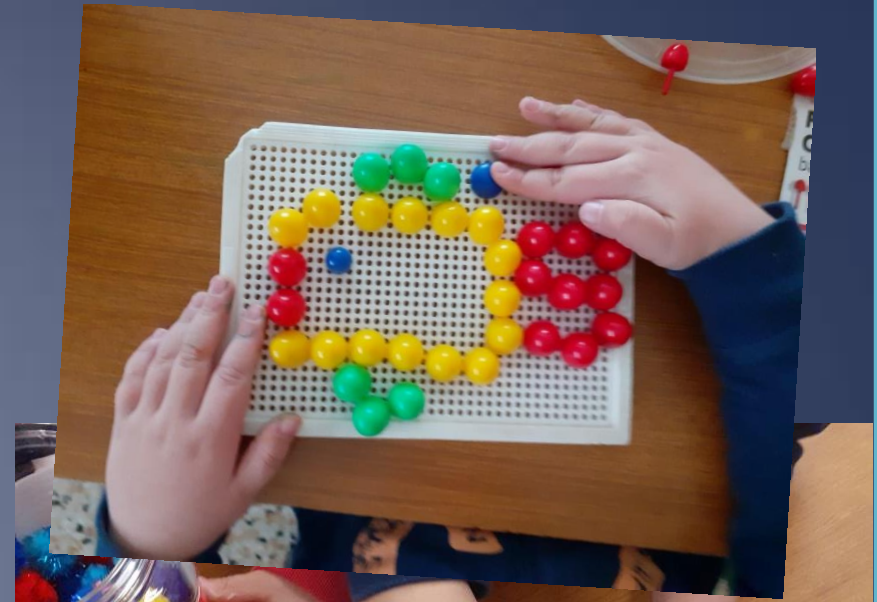

Giochi per approcciarsi al precalcolo e alla prescrittura

artisti al lavoro per affinare la motricità fine della mano e imparare forme e colori

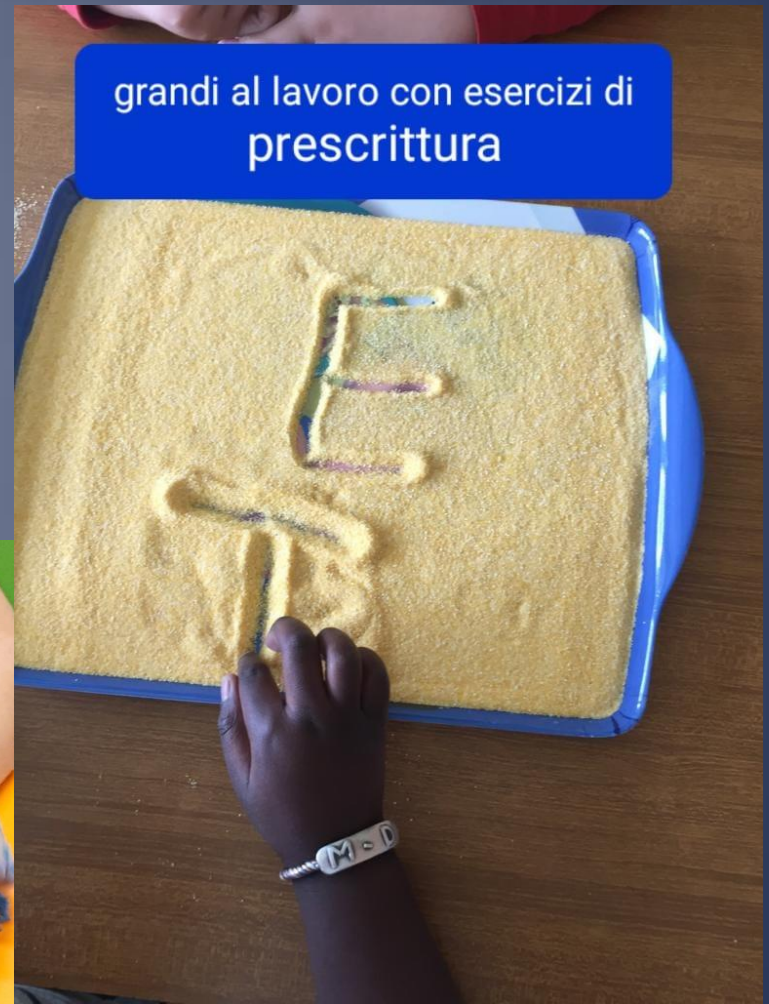

Giochi per affinare la presa manuale

mezzani e grandi alle prese con la LIM

Piccoli e mezzani giocano con la sabbia cinetica

E ovviamente non
mancano i giochi in
cortile
